

IAPMO Technical Committee Newsletter March 2015

Ladies and Gentlemen:

Thank you for participating in the development of the *2018 UNIFORM PLUMBING CODE (UPC)* and the *2018 UNIFORM MECHANICAL CODE (UMC)* under the ANSI consensus process. The continued development of the UPC and UMC would not be possible without the participation of volunteers like you. Please see agenda for discussion items.

The Technical Committee Meetings this year will be held via teleconference. Please see page 2 for the teleconference and GoToMeeting information. This newsletter and other information are also available on the IAPMO website at <http://codes.iapmo.org>.

This newsletter contains valuable information about the agenda and meeting procedures. It can also be used as a handy reference guide during the teleconference meeting. We hope you find it useful.

Thank you again for your continued support of the *UPC* and *UMC*.

TC Meeting Specifics

Regulations and Operating Procedures

All actions at and following TC meetings will be governed in accordance with the IAPMO Regulations Governing Committee Projects. The latest Regulations appear on the IAPMO website. All committee actions will be in accordance with the Regulations Governing Committee Projects. Failure to comply with these regulations could result in challenges to the codes and standards making process. A successful challenge on procedural grounds could prevent publications of the *UPC* and/or *UMC*. Consequently, committees must follow the regulations and procedures.

General Procedures for TC Meetings

Use of tape recorders or other means capable of producing verbatim transcriptions of any IAPMO TC meeting is not permitted. Participation at all IAPMO TC meetings is open.

Participation in IAPMO TC meetings is generally limited to committee members and IAPMO staff. Participation by guests is limited to individuals who have previously requested of the Chair time to address the committee on a particular item, or individuals who wish to speak to proposals or public comments that they submitted. (See regulations at Section 3-3.3.3)

The Chair reserves the right to limit the amount of time available for any presentation.

No interviews will be allowed at any time.
