

Errata for 2016 Uniform Plumbing Code Report on Proposals

The following is a change that we found after the printing of the 2016 Uniform Plumbing Code Report on Proposals. This change may apply to your book. However, we do encourage you to place this with your ROP to ensure that all the changes are updated. Thank you.

UPC Item # 002

Revise table to correct the year as the promulgator sent the 2015 update edition.

**TABLE 1701.2
STANDARDS, PUBLICATIONS, PRACTICES, AND GUIDES**

<u>DOCUMENT NUMBER</u>	<u>DOCUMENT TITLE</u>	<u>APPLICATION</u>
ASME A112.18.2- 2014 <u>2015</u> /CSA B125.2- 2014 <u>2015</u>	Fittings	Fittings

Portions of table remained unchanged

UPC Item # 186

Missing note text from proposal, revise ROP as follows:

NOTE: Item #186 failed to achieve the necessary $\frac{2}{3}$ affirmative vote of returned ballots. In accordance with Section 4-3.5.2 of the Regulations Governing Committee Projects, a public comment is requested for this proposal. The technical committee will reconsider this proposal as a public comment.

UPC Item # 192

Missing note text from proposal, revise ROP as follows:

NOTE: Item #192 failed to achieve the necessary $\frac{2}{3}$ affirmative vote of returned ballots. In accordance with Section 4-3.5.2 of the Regulations Governing Committee Projects, a public comment is requested for this proposal. The technical committee will reconsider this proposal as a public comment.

UPC Item # 211

Missing note text from proposal, revise ROP as follows:

NOTE: Item #211 failed to achieve the necessary $\frac{2}{3}$ affirmative vote of returned ballots. In accordance with Section 4-3.5.2 of the Regulations Governing Committee Projects, a public comment is requested for this proposal. The technical committee will reconsider this proposal as a public comment.

08/30/16

UPC Item # 250

Revise table to correct the year as the promulgator sent the 2013 update edition.

**TABLE 1701.1
REFERENCED STANDARDS**

<u>DOCUMENT NUMBER</u>	<u>DOCUMENT TITLE</u>	<u>APPLICATION</u>	<u>REFERENCED SECTIONS</u>
UL 467- 2012 <u>2013</u>	Grounding and Bonding Equipment	Grounding and Bonding	1211.2.5
