Dear Technical Committee Members,

The following revision was made to the 2019 UMC ROC as the Committee action for Item #091 (comment 1) was shown incorrectly in the ROC (see attached errata):

Item # 091 (Comment 1): Revise the Committee Action from “REJECT” TO “HOLD.”

The 2019 UMC ROC (rev. 1) has been updated to include the change shown above and can be obtained using the following link:

<http://codes.iapmo.org/docs/2021/UMC/2019%20UMC%20REPORT%20ON%20COMMENTS.pdf>

We apologize for the inconvenience that this may have caused. Please call us if you have any questions or concerns.

Note: This revision will not affect the allowable motions during the Association Technical Meeting for Item #091 (Comment 1).

Thank you

**Errata for
2019 Uniform Mechanical Code Report on Comments**

The following change was made to the 2019 UMC ROC. This change may apply to your document. Thank you.

2019 UMC ROC Item 091 Comment 1

Item 091 Comment 1 – Revise the Committee Action from “REJECT” to “HOLD” as follows:

COMMITTEE ACTION: HOLD

COMMITTEE STATEMENT:

A motion of "Hold" is being made to this comment as it is proposing new information that has not had public review.
