

IAPMO Technical Committee Newsletter March 2020

Ladies and Gentlemen:

Thank you for participating in the development of the *2024 UNIFORM PLUMBING CODE (UPC)* and the *2024 UNIFORM MECHANICAL CODE (UMC)* under the ANSI consensus process. The continued development of the UPC and UMC would not be possible without the participation of volunteers like you. Please see the agenda for discussion items.

The first Technical Committee Meeting will be held via teleconference. Please see page 2 for the teleconference GoToMeeting information. This newsletter and additional information are also available on the IAPMO website at <https://www.iapmo.org/codes-standards-development/code-development>.

This newsletter contains valuable information about the agenda and meeting procedures. At the teleconference meeting, the code development process and the IAPMO Rules and Regulations will be explained. You will also have the opportunity to introduce yourself prior to the in-person meeting on May 3-7, 2021. We hope you will find this teleconference beneficial.

Thank you again for your continued support of the *UPC* and *UMC*.

1. Please join my meeting: <https://global.gotomeeting.com/join/703886069>
2. Use your microphone and speakers (VoIP) - a headset is recommended. Or, call in using your telephone.
Dial +1 (646) 749-3112
Access Code: 703-886-069

TC Meeting Specifics

Regulations and Operating Procedures

All actions at and following TC meetings will be governed in accordance with the IAPMO Regulations Governing Committee Projects. The latest Regulations appear on the IAPMO website. All committee actions will be in accordance with the Regulations Governing Committee Projects. Failure to comply with these regulations could result in challenges to the codes and standards making process. A successful challenge on procedural grounds could prevent publication of the UPC and/or UMC. Consequently, committees must follow the regulations and procedures.

General Procedures for TC Meetings

Use of tape recorders or other means capable of producing verbatim transcriptions of any IAPMO TC meeting is not permitted. Participation at all IAPMO TC meetings is open.

Participation in IAPMO TC meetings is generally limited to committee members and IAPMO staff. Participation by guests is limited to individuals who have previously requested of the Chair time to address the committee on an item, or individuals who wish to speak to proposals or public comments that they submitted. (See regulations at Section 3-3.3.3)
