

Meeting Notice

2024 USHGC Teleconference Meeting

October 30, 2024

Note from the Staff Liaison

Dear Technical Committee Members:

We are pleased that you are participating in the development of the *2027 Uniform Solar, Hydronics & Geothermal Code (USHGC)* under the ANSI consensus process. The continued development of the USHGC would not be possible without the participation of volunteers like you. This meeting notice contains important information that should help you in your preparation for the meeting.

The first Technical Committee Meeting will be held via teleconference. The teleconference meeting schedule may be found under Meeting Logistics.

Thank you for your continued support of the USHGC. We look forward to your participation.

Taylor Duran
Staff Liaison
(909) 218-8126

Codes and Standards Development Process

An overview of the IAPMO Codes and Standards Development Process is attached for your review.

IAPMO complies with laws covering the use of copyrighted material. No copyrighted material should be submitted without the written consent of the copyright holder. This includes the proposed text of a requirement, the substantiation, and any supporting material.

The deadline for online submission of Proposals is March 3, 2025. Technical Committee members will be notified no later than May 16, 2025, that the proposals are available for online review.
